

Volkswagen Accessories

**More value.
Accessories for the Golf.**

Movement fascinates. In fact, there are few subjects that excite people more. That's because movement is synonymous with freedom. At Volkswagen we associate our accessories with supreme quality, functionality, comfort and much more besides – because we believe that one point of view is not enough to appreciate the thousand aspects of your Volkswagen.

Volkswagen Genuine Accessories — Volkswagen Genuine Accessories bring everything people associate with the brand into the realm of accessories. Furthermore, our product philosophy is all about innovative technologies and top-level design – down to the finest detail. After all, Volkswagen Genuine Accessories are developed, tested and approved alongside each vehicle. And we want you to feel at home in your Volkswagen at all times.

Volkswagen Individual — Volkswagen Individual makes every vehicle unique: flamboyant details, select materials, elaborate handmade elements and innovative technologies. Give your vehicle its very own individual, exclusive character.

Experience our broad range of seven product families for more individual mobility, driving pleasure and fascination. Your authorised Volkswagen agent will be happy to advise you.

Many of the products shown in this brochure can also be found in our Volkswagen Accessories E-Shop at www.volkswagen-zubehoer.de.

The design of the Golf speaks a clear language. With Volkswagen Accessories you can give it its very own accent.

The true character of the Golf reveals itself inside and out in its exclusive, sporty design. Our aerodynamic Volkswagen Accessories provide you with a number of ways to make your Golf look just the way you want it, so that in the end it will be as if it was built for you personally.

Volkswagen Genuine front spoiler

(pictured top left)

The Volkswagen Genuine front spoiler makes a strong impression, with an attractive finish which traces the lines of the vehicle's front-end. Its dynamic shape optimises the aerodynamic effect and guarantees low air resistance. The front spoiler is primed ready for painting in your car's colour.

Item no. 5K0 071 609 GRU

Volkswagen Genuine rear spoiler

(pictured above)

Give your Golf an even more sporty touch: the Volkswagen Genuine rear spoiler upgrades the vehicle's looks at the back and also improves its aerodynamics. With the diffuser painted in a contrasting colour, the back of the car really turns heads. The rear spoiler is primed ready for painting in your car's colour.

Volkswagen Genuine side sill set

(pictured above)

The Volkswagen Genuine side sill set emphasises the Golf's strong personality. Its curves add extra emphasis to the striking side lines, and provide a powerful highlight for the car's midriff. The dynamic shape optimises the aerodynamic effect and reduces air resistance. The side sill set is primed ready for painting in your car's colour.

Item no. 5K0 071 685 GRU

Volkswagen Genuine roof spoiler

(pictured above)

This striking roof spoiler perfects the Golf's sporty back-end. Made from polyurethane hard integral foam, making it especially impact-resistant and tough. Primed ready for painting in your car's colour. One of its special highlights is its openings for an aerodynamically optimised airflow.

Item no. 5K0 071 644 GRU

Volkswagen Genuine carbon-look decor set

The decor set for the B-pillar (pictured right) and the edge of the tailgate (pictured left) makes it quick and easy to change your Golf's looks. The dark carbon-effect finish looks classy and sporty at the same time. The self-adhesive decor is a precision fit and is easy to apply. Its resin coating makes the surface resistant to scratches and knocks, and car-wash-proof as well.

Item no. 5K3 071 350 A	For B-pillar, two-door vehicles (not pictured)

For right

Its interior is one of atmosphere and well-being. And with our entertainment and communication systems it becomes a whole sensory world in its own right.

Your Golf gets you where you want to go, and keeps you informed and entertained along the way, thanks to its balanced combination of information and entertainment systems. While you are on the road you can use the navigation system to calculate your route without having to go without the in-car entertainment. It is a driving experience which offers comfort and excellence in every situation.

Volkswagen Genuine Click & Ride integration solution

(pictured left)

Combine the comfort and security of a permanently installed navigation system with the flexibility of a mobile one. This integration solution incorporates the latest Garmin navigation unit as well as the Volkswagen Genuine integration kit. Unlike mobile solutions, this navigation unit can be positioned on the dashboard securely, precisely and without bothersome cables, thanks to the integration kit. Audio output is via the vehicle's speakers and power is supplied by the in-car wiring network – both in tested Volkswagen quality. The Garmin nüvi navigation system included with the solution guides you quickly to your destination by means of a 4.3" widescreen colour display, pre-installed maps of Europe (40 countries, Western and Eastern Europe¹) and additional features such as a lane assistant. The system comes with or without Bluetooth hands free functionality.

13

Volkswagen Genuine RNS 510 radio navigation system

This navigation system is easy and precise to operate using its 6.5" touch screen display. Routes are calculated quickly by a high-powered processor. The high-resolution display can show multicoloured maps in 16:9 format. An integrated DVD drive allows you to play common CD and DVD formats. Modern storage media such as a 30 GB hard drive and SD card reader enable various file formats to be stored and played. With integrated CD changer controller and 4 x 20-Watt output power.

Item no. 1T0 057 680 B

Volkswagen Genuine RNS 510 navigation DVD

For the RNS 510 radio navigation system. Includes Virtual Car Assistant (VCA) which guides you “personally” through the user menus.

Blue Sound BT MP3 radio

The Blue Sound BT MP3 radio connects to your mobile phone easily using Bluetooth, converting the radio into a permanently installed hands free set. An SD card slot and USB socket enable MP3 music files to be plugged-and-played. The CD player is compatible with CD audio music files on standard CD-R and CD-RW disks.

Item no. 000 051 217 FA

Volkswagen Genuine RCD 310 MP3 radio

For endless listening enjoyment on every journey, the Volkswagen Genuine RCD 310 MP3 radio plays your favourites in MP3 format. It's a real eye-catcher, too, with its chrome-look framed controls and buttons. With MEDIA-IN port for connecting up external audio sources¹ such as MP3 players, iPods, etc.

Item no. 1K0 057 186 AA

Volkswagen Genuine RCD 510 MP3 radio

Enjoy a new dimension in music: the RCD 510 MP3 radio is easy to operate using a 6.5" touch screen. An integrated 6-disc CD changer gives you limitless listening pleasure. The modern radio module with outstanding sound and reception rounds off the system's high-end credentials. With MEDIA-IN port for connecting external audio sources¹ such as MP3 players, iPods, etc.

Item no. 3C8 057 195

¹The MEDIA-IN multimedia socket must be ordered separately.

Volkswagen Genuine MEDIA-IN

(picture shows MEDIA-IN with iPod adapter cable)

The MEDIA-IN multimedia port makes it easy for you to play from external audio sources (MP3 players, iPods, USB sticks, etc.). The interface is controlled using the car's factory-fitted radio or radio navigation system, where the tracks and playback lists are also displayed. Only available in conjunction with the RCD 310 and RCD 510 MP3 radios, and the RNS 310 and RNS 510 radio navigation systems. Please refer to the enclosed price list for information about optionally available adapter cables.

Item no. 5N0 057 342

**DVD Voyager 4 multimedia kit**

The DVD Voyager 4 multimedia kit makes car journeys an especially comfortable experience for your back-seat passengers. Makes long drives child's play, especially if you're carrying young ones. The tablet DVD player integrated into the 7" TFT display plays DVDs and CDs in all common formats, and MP3s. The system is EU crash-tested, and the player's rounded corners minimise the risk of injury in the event of an accident. A safety device in the player's mounting system prevents the unit from falling out accidentally. Quick and easy to fit to and remove from the headrests. The player has an attractive, slim design, is light and portable, and so can be used in different vehicles. Can be ordered as a Basic or Comfort kit. You will find more detailed information in the enclosed price list.

Item no. 000 063 500 ES

Receptivity

Whether your vehicle came fitted with a mobile phone kit or not, you can still choose the system that best suits your needs.

For vehicles factory-fitted with telephone kits

Volkswagen Genuine mobile adapter set

If your vehicle came factory-fitted with a telephone kit, then the mobile adapter set with active mounting will be its perfect companion. Its special feature: it includes two additional buttons that connect you directly to Volkswagen Service and Breakdown. You will find further information in the enclosed price list and at www.volkswagen-zubehoer.de.

Item no. 3C0 051 435 X¹

Volkswagen Genuine Bluetooth pairing adapter

The Bluetooth pairing adapter enables you to connect a Bluetooth mobile phone to a factory-fitted telephone kit. The adapter inserts into the telephone kit's mounting just like a mobile adapter set. The pairing adapter connects using your mobile phone's Bluetooth hands free profile. Following a one-off pairing process between the mobile phone and the telephone kit, the mobile phone can remain in your bag or pocket while driving.

Item no. 3C0 051 435 PA

¹X = mobile-specific index. Since the range of mobile adapter sets is constantly growing, we request that you ask your authorised Volkswagen agent or view the information at our website: www.volkswagen-zubehoer.de.

For vehicles without factory-fitted telephone kits

Bluetooth hands free system

This user-friendly hands free system with 2.8" TFT colour touch screen display represents the state of the art and is especially easy to use while driving. The user-independent DialogPlus voice activation recognises words remarkably quickly and accurately. To make operation even easier, it also incorporates optional, spoken help features. The text-to-speech function reads SMSs clearly and comprehensibly (dependent on mobile phone), giving you the maximum information without you having to look at its screen. You can play MP3s from your mobile phone through the vehicle's speakers via your phone's audio stereo streaming (A2DP) and the radio's AUX-IN, for which you will find adapter cables in the enclosed price list. The range of units is constantly being extended.

When it comes to safety, the Golf is uncompromising. When it comes to your personal transport solutions, you should be, too.

With a Golf you are independent and you can carry your things around with you, whatever the occasion. Short break or long haul, everything you need on the road can be carried practically and easily using Volkswagen Accessories transport solutions. And with our tested child seat systems, your little ones are kept safe and sound as well.

Volkswagen Genuine roof box

(the picture on the left shows a size XL roof box)

The new roof boxes with volumes of 310 l, 340 l and 460 l are easy and convenient to handle, and are easy to fit to the vehicle's roof, thanks to their practical quick-lock mountings. The innovative DuoLift system allows you to open the roof box from either side, making it even easier to load and unload. Three-point central locking provides additional protection against theft. Please refer to the enclosed price list for an overview of all the different sizes and versions.

Volkswagen Genuine basic rack

Stay equipped when you're on the road with Volkswagen transport systems. The City-Crash tested Volkswagen Genuine basic rack provides the basis for that; to it can be attached items such as a ski and snowboard holder, a bicycle holder, a surfboard holder or the useful roof box.

Item no. 1K0 071 126

Volkswagen Genuine bicycle holder

This bicycle holder is exactly right for every keen biker. It is made from aerodynamically shaped plastic sections and the frame mounting is made from matt chrome-plated steel. Easy to fit to the basic rack. Net weight: approx. 3.2 kg. The bicycle holder is City-Crash tested and lockable.

Item no. 6Q0 071 128 A

How the City-Crash test works

The transport system is fitted to the vehicle and loaded with the weight for which it is designed. A typical rear-end collision in urban traffic at approximately 30 km/h is simulated by the application of horizontal acceleration and of forces acting against the direction of travel. The transport system must on no account become detached from the vehicle.

Volkswagen Genuine

“komfort” ski and snowboard holder

Off to the piste! With this ski and snowboard holder you can easily carry up to six pairs of skis or four snowboards on the roof of your vehicle. It is easy to fit to the basic rack, and it can be locked. Broad opening buttons enable you to use the ski holder while wearing thick gloves. Pull-out function to make loading and unloading easier.

Item no. 1T0 071 129

Volkswagen Genuine **skisack**

(not pictured)

The useful skisack provides transport for up to four pairs of skis including ski-poles, and protects the skis against damage by other items of luggage in the vehicle or in the roof box. The integrated belt can be slotted into the seatbelt socket in the passenger compartment. A full-length zip and comfy handles make the bag easy to use. Length: approx. 200 cm, for skis up to 190 cm long. Colour: black.

Item no. 00V 061 202

Volkswagen Genuine **storage bag**

(not pictured)

When you no longer require the skisack, you can stow it tidily in this storage bag.

Item no. 00V 061 201

Surfboard holder

Comfortably carries one surfboard. Includes double mast holder and double tension straps, quick and easy to fit to the basic rack.

Item no. 000 071 120 HA

**Volkswagen Genuine kayak holder**

The kayak holder was developed specially for transporting kayaks weighing up to 25 kg, which it carries conveniently on the basic rack, without any sliding or wobbling.

Item no. 1K0 071 127 A

**Volkswagen Genuine luggage frame**

Do not let loads be a burden. This luggage frame is made from fully galvanised steel tubing. It is sturdy and weatherproof, and offers numerous extra ways of transporting things. The end tubes can be adjusted to create an even loading area. Dimensions: 101 x 76 x 14 cm.

Item no. 191 071 130 F

Volkswagen Genuine tow bar, removable

Extend your Golf's transport capabilities with the Volkswagen Genuine tow bar. Quick and easy to remove, making it particularly practical. Please adhere to the maximum permitted load-bearing capacity of 75 kg.

Item no. 5K0 092 155

Volkswagen Genuine electrical installation set

(not pictured)

The 13-pin electrical installation set for the removable tow bar contains an in-built controller which is integrated into the vehicle's electronics. It provides an electrical supply, thus enabling a trailer to be towed.

Item no. 5K0 055 204

Volkswagen Genuine bicycle rack for tow bar

Makes taking two bikes on holiday a simple affair. Quick to fit on the tow bar ball. Lockable fixing screws enable flexible handling and provide extra security. Max. load: 35 kg.

Item no. 3C0 071 105

Item no. 3C0 071 105 E

Bicycle rack for tow bar

Extension kit for third bicycle

Volkswagen Genuine **dividing grille**

Stops shopping and luggage sliding dangerously when braking suddenly. The dividing grille separates the luggage space from the passenger compartment between the top of the seat back and the ceiling. The sturdy, black, powder-coated steel grating is easily and conveniently fitted behind the rear seat. New holes do not have to be drilled, which means the dividing grille can be removed without trace at any time. The function of the airbags is in no way impaired, and the luggage space cover can still be used with the dividing grille in place.

Item no. 1K0 017 221

Volkswagen Genuine **shelf tray**

The shelf tray is fixed in place beneath the luggage space cover. It is divided into four compartments, offering additional storage space for various items of equipment such as umbrellas, service equipment and care products, in a way that means they don't get lost. The first aid kit is also stored there safely in a specially designed compartment. Additional holes and screws are not required. Maximum load: 4 kg.

Item no. 1K0 061 178 A

22
23

Volkswagen Genuine **luggage net**

Ensures that everything stays in its place and that lighter items do not slide around. This tear-proof net with integrated pocket has hooks that are easy to attach to the securing eyes that are fitted as standard to the floor of the luggage space.

Item no. 5N0 065 111

Ready to go

Children should travel as safely and comfortably as possible, and to make sure they do, Volkswagen Accessories provide the best conditions possible. Our tests go beyond the statutory safety requirements – side crash tests, for instance, have confirmed the high quality of our child seat systems. Perfect workmanship, easy handling, removable covers that can be washed at 30°C – all of this comes as standard. All child seats comply with the currently valid ECE standards 44/03 and 44/04.

Volkswagen Genuine Bobsy G0 plus ISOFIX

The child is held safely in the seat by an integrated, height-adjustable 5-point harness. The integrated seat insert, high side walls and deep shell provide all-round protection for newborns. Includes pivoting carry-handle and sun shield. Can also be used in vehicles without ISOFIX connectors but with a 3-point seat belt. For infants of up to 13 kg or approx. 15 months.

Item no. 00V 019 907

Volkswagen Genuine Bobsy G0 plus

(not pictured)

Child seat like the Bobsy G0 plus ISOFIX, but without ISOFIX connectors.

Item no. 00V 019 900 C

Volkswagen Genuine Bobsy G0-1 ISOFIX

The Bobsy G0-1 ISOFIX is the safe seating system for children weighing up to 18 kg (up to 4 years old). The ISOFIX connectors in the base join the seat securely to the vehicle bodywork, but the seat can also be used without difficulty in vehicles without the ISOFIX system. The child seat is approved for groups 0/1, which means it can be used from birth up to a weight of 18 kg when installed facing backwards. Installed forwards it is approved for children weighing between 9 and 18 kg. Special features: the height of the shoulder straps can be conveniently adjusted, and the seat shell can be moved into three positions. The bases needed to install the seat in the vehicle must be ordered separately.

Volkswagen Genuine

luggage trough with dividing elements

This practical, tough luggage trough with four flexibly configurable dividing elements, lid and Golf lettering protects the luggage space against dirt, and stops your load from sliding around. The plastic tray is a perfect fit, non-slip and acid-resistant. It has raised edges all round, which prevent liquids from running onto the floor of the vehicle. For vehicles with the basic luggage space floor.

Item no. 5K0 061 162

Volkswagen Genuine luggage trough

This high-cut insert with broad grooves is extremely robust and acid-resistant. For everything that likes to leave marks behind when carried, such as dirty toys and plants. The insert protects the boot of your Golf against any dirt, and is easy to clean on account of its smooth plastic surface. With Golf lettering.
